Pride in Service with Integrity

ADMINISTRATIVE SEGREGATION

ARMSTRONG, LANCELOT	500907949	August 5, 2009	16	Current Date:	08/12/09
Inmate's name and arrest number		Date of incarceration and Initial custody		Current Custody Score: 16	

Reasons for Administrative Confinement:

Inmate potentially dangerous to self or others as demonstrated by documented and specific acts or actions

List: Due to current F.S.P sentencing Status - Death Row Inmate.

Inmate poses an active and serious escape risk as evidenced by behaviors, documentation and/or verifiable intel

List: _____

Inmate charged with DR but while awaiting a disciplinary hearing judged by staff to be dangerous and/or disruptive and unmanageable if left in general population

Inmate is currently awaiting transfer to a higher security facility and is judged by staff to be a significant management and/or escape risk as determined by inmate's criminal history, severity of charges and/or adjustment history

Inmate has significant disciplinary history or has accumulated a custody score exceeding 30 pts due to disciplinary history within first 6 - 12-month period of detention or accumulated 3 or more major disciplinarys within a 6 month period thus posing greater than usual management and safety concerns for general population.
